

# "Rikki"

Hi, my name is Rikki.

I'm a sweet 4 year old Golden Retriever, and my fur and ears are very soft.

I'd love for you to pet my head and back and see what I mean. You can even scratch behind my ears; I really like that!

I love to eat baby carrots; can you believe it? My Partner will bring some and show you how. Best of all, I like to use my nose and smile to help people feel better. People like you!

I hope I get the chance to meet you and play with you soon!

Love,  
Rikki
